

Dear Traveler,
 Seven million! That's how many passengers booked cruises last year, making it the industry's best ever. Why is Cruising so incredibly popular with travelers? How about enjoying resort-style excitement, service, dining, entertainment, and relaxation while seeing some of the world's most exotic destinations.

I can think of another big appeal to travelers, too, and that's the value. Fares last year were the lowest ever, and this year is no different. In fact, with this catalog, I'm proud to announce *Grand Circle's lowest prices of the year*. The savings add up to thousands of dollars off the Cruise lines' published fares, as you'll see in our exclusive selection of discounted itineraries on the pages that follow.

This exclusive collection of year-end savings also includes the, just-announced, 40-day *Grand Voyage to India* and 32-day *Trans-Atlantic Barcelona to Brazil*. Book either of these spectacular voyages, and your companion sails for FREE!

No matter which Cruise you choose, it's hard not to save—but act now because this is your last chance to book for 2001. Imagine spending less than \$79 per day on *Trans-Atlantic Europe & the Caribbean*, and less than \$67 per day on *Panama Canal & South America*.

The end of the year is nearly here, and with fares at their absolute lowest, this is the time to take advantage of special pricing on the exciting itineraries inside. So call our Travel Counselors today, toll-free 1-800-221-2610, to reserve your place onboard.

Warm regards,

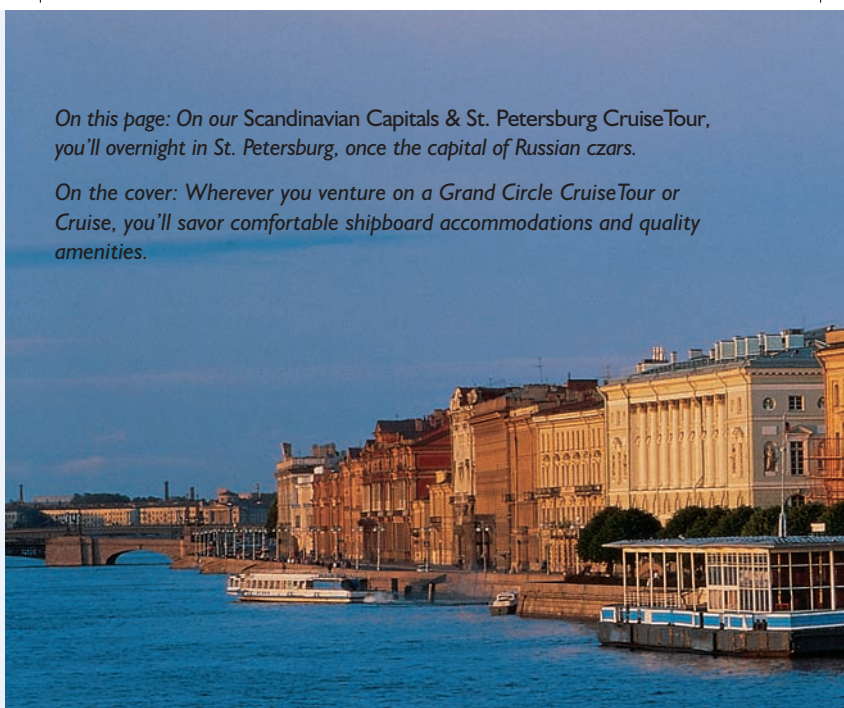

Susan Harvey
